**UNIFIED SCHOOL DISTRICT NO. 273
MITCHELL COUNTY, KANSAS**

Professional Salary Schedule – Statement of Purpose

The following salary schedule has been cooperatively developed by the Professional Staff in order to serve the following purpose:

- 1). To provide the finest of educational opportunities for the children of this district.
- 2). To serve as a guide in determining future salary levels without individual bargaining.
- 3). To promote high professional standards, extended terms of service and improved educational training.
- 4). To provide equity of treatment among all personnel of like qualifications.

* Any combination of professional staff development points, and/or college hours that equal 300 points over the previous column allows a person to move to Column B, Column D, Column E, or Column F. Each in-service hour equals one point. Each official college hour equals 20 points. Multiply college hours times twenty, and add the in-service points for a total of 300. In Column B, a person will have to have at least 4 college hours gained between their current certificate's effective and expiration date. Only in-service points gained after August 1, 1994, will count toward the 300 points. College hours that have not been applied to any present column would count towards the 300 point total.

Hours must be earned **prior to August 1** to be counted for horizontal increments. In addition, the staff member must submit to the Superintendent, **by March 15**, a written notification of their intent to complete the requirements of a horizontal move. Beginning August 23, 1989, the Master's Degree to count on the salary schedule must be in the teacher's assigned teaching field or a closely related field, as approved by the Superintendent of Schools. This does not apply to teachers who were employed prior to August 23, 1989, and who had been accepted in graduate school for work at the masters level. Any movement on the schedule results in the loss of accumulated points.

Staff members employed by the school system for the first time will be placed on the salary schedule by the Superintendent of Schools at the Board's discretion. Any movement is limited to one step horizontally and one step vertically.

The Board, at its discretion, may advance a teacher on Column B of the Salary Schedule, with thirty or more years experience in the district, to the next column on the schedule

The Board of Education shall provide eligible employees single coverage, not to exceed \$370 per month, on the USD No. 273 Group Medical Plan beginning October 1, 2017.
