

IDA BASIC PROGRAM

IDA

The Board shall follow federal law and the rules and regulations of the State of Kansas and the State Board of Education concerning the basic curriculum of the district.

Goals and Objectives

The district's mission statement, goals and curricular objectives are on file in the district office, the principal's offices, and available for inspection as required by current law. Each teacher has a copy of the district goal and curriculum objectives for which he/she is accountable.

Drug Education

The Board has adopted a comprehensive drug and alcohol abuse and prevention program as part of the district's curriculum. The curriculum is age-appropriate and developmentally based to reach students at all ages and levels of education within the district.

All the district's students shall be made aware of the legal, social and health consequences of drug and alcohol use. Students shall be instructed on effective techniques for resisting peer pressure to use illicit drugs or alcohol. Students shall also be informed that the use of illicit drugs and the unlawful possession and use of alcohol is both wrong and harmful.
