JQH-R DROP-OUTS (Cf. JB)

JQH-R

In the event a student does drop out of school, the school counselor will make an attempt to determine whether the student will return to regular classes and to follow up on each case history in the eventuality the student fails to re-enroll in school.

The school district's counselor and other employees working with dropouts shall present a report to the board analyzing trends with recommendations, if any, for improvement of the educational program to reduce further dropouts.
