KG-R USE OF SCHOOL FACILITIES

KG-R

The use of any facility must be in keeping with the general program of education and must not be for commercial use or for personal or private gain unless approved by the superintendent.

Groups using the building must be properly supervised so that orderly use of the facilities is insured.

A school custodian shall be on duty during the period of time that the building is in use.

All organizations shall be responsible for proper care of the building and equipment and shall be liable for the expenses of repairing any damage caused.

Unless permission is granted specifically to use the facility until a later time, the facility shall be vacated by 11:00 P.M.

Disorderly conduct or the use of alcoholic beverages or other controlled substances shall be prohibited in all school buildings.

Arrangements for use of building facilities shall be made with the superintendent's office by a responsible representative of the organization. Those organizations directly related to the school system shall not pay for the use of building facilities. All necessary fees shall be determined by the superintendent and approved by the board.
