Mixed 2 Room News

Happy April everyone! We are so happy that Spring is here and we can pretty much say good-bye to the cold weather. We all have Spring fever and can't wait to get some outside time. This month we say goodbye to Rogan, Holden, and Lane as they are moving on to their new rooms; we sure will miss them! We also would like to welcome our new friends Brynlee and Evan, and are looking forward to having them with us. Happy Spring!

Toddler I Room News

During the month of April we will finish nursery rhymes and start talking about spring and flowers. Last month we said good-bye to Ava and Isabell and we welcomed Holden and Rogan from mixed room 2. We are excited for our new friends. With warmer weather on the way we will hope to be going outside more and enjoying the fresh air. Wishing everyone the best.

Toddler II Room News

We are very excited Toddler Two is filling up! We would like to welcome a few friends to our classroom and say goodbye to one of them. It's sad to see her leave, but Lily and her family will be moving out of Beloit, and surely will be missed by all of our friends! Oakley, Ava, Isabell, Blaykly, Dublynn, and Sawyer are joining us as well! Our theme this month is Spring is in the air and plenty of activities to come along with it. We would like to thank Payton's grandma for the cupcakes she shared for Easter. We would also like to thank the High School's FAC's class for bringing homemade play-dough and taking time out of their day to play with us.

Preschool 1 Room News

March was a month for new beginnings in Preschool one. Miss Bailie started as the lead teacher and later into the month we welcomed Miss Kylie, as our helper. We are very excited to have her. This month we have focused on the letters O, P, Q, R, and S. Another thing we have really worked hard on is incorporating centers back into our classroom and the children have been doing fantastic with it! The children have also really enjoyed doing more art projects with paint! This group is very smart and catching on to new things quickly. We look forward to a new month where we will talk about more letters of our alphabet and hopefully start talking about how to spell our names!

Preschool 2 News

The month of March was full of fun! We began March by talking about the letters R and T. Then the high schooler's came and read us a book and did a fun activity with us. We also celebrated St. Patrick's day and Easter by making leprechauns and looking for eggs. We are ending this month with the letter U. In April we are going to celebrate the Week of the Young Child. The purpose of the Week of the Young Child is to focus public attention on the needs of young children and their families and to recognize the early childhood programs and services that meet those needs. In our classroom we are going to celebrate by dressing up different days and planning fun activities. We hope April brings more fun and warmer weather!
