Summer is here! We will start planning water days when warmer temperatures are here. If you would like to bring your child a swimsuit, hat and a tee-shirt for water days that would be great. During June we will be talking about water, boats, summer, Fathers Day and at the end of the month we will talk about the Fourth of July. Wishing everyone a happy June.

## Toddler II Room News

We are gearing up for summer in Toddler II, we have been busy at work making art and we're loving painting with our hands and feet. With the warm weather approaching we will be spending lots of time outside playing. Please be sure to bring swimsuits and sunscreen for your child. Thank you for the gifts for provider appreciation day. Well wishes from Toddler II.

May was a month full of hellos and goodbyes. We had to say goodbye to Crosby, Joley, and Kash as they are leaving for the summer and will move up to the other building in the Fall. We love those three and will miss them so much! We also had to say goodbye to our high school helper, Brooklyn Davis. She loved the kids just as much as they loved her. However, we welcomed Wylee Bergman to our class and couldn't be happier.

During May we finished the alphabet and the class was very excited about that. Now we have started to talk about summer bugs and some are excited while others seem to love the word EWWW! We cannot wait to get more time outside soon to find these bugs! We are looking forward to another fun month in Preschool One.

May was gone in a blink of an eye. We celebrated Mother's Day by making a fingerprint poem and we also had fun having the kids fill out the all about my mom sheet. We were able to get outside more, go to the tennis courts, blow bubbles, play basketball, and play with chalk. We are sad to be losing a few of our kids, but we are excited to be gaining more. We will be starting library on Thursdays and we are looking forward to summer!

### Infant Room News

Hello everyone!! Hope you all are having a fun summer. The infant room is busy with little ones they all are about the same age so it's fun to see how they all are learning to do new things around the same time. They are really developing their own personalities. We want to wish our Dads a Happy Father's day!

### Mixed 2 Room News

Happy Summer to everyone! Can you believe it's June already? We welcome our new friend Reid to our room and with his arrival makes 3 girls and 3 boys! The babies are enjoying all of the colorful decorations and pictures in our room. We're hearing a lot of cooing out of them and love their sweet little smiles! Layton is pulling himself up on things and I bet it won't be long before he starts walking. I'm sure Piper enjoys having a friend that is not far from her age! May was pretty rainy so we look forward to getting our little ones out for some play in the sunshine. Happy Father's Day to all the Dads. Happy June!
