Mitchell County Early Learning Center News

The ELC will now seek to fill two open teacher positions. Until these positions are filled, we will be rearranging current staff members to continue to provide quality care in each room as expected at the ELC. Amanda Mathews will be moving to the Mixed Unit 1 and Renee Helmbrecht will be in Toddler 2. This change is taking place because Amanda's daughter is transitioning to Toddler 2. Kassidy Corbett will be moving from Pre-K 2 to Toddler 2. We are very excited that Bailie Hennes has returned from maternity leave, and will be the Lead Teacher in Pre-K 1. Brit Serrault will be the teacher aide in Pre-K 1. Please join us in welcoming them to their new classrooms.

Mixed 2 News

Happy March everyone,,,yay it's almost Spring! We can't wait to go outside for our walks again! Hopefully Spring will bring an end to the colds and flu. We have been reading books and the kids are really interested in them. They enjoy music time and love to dance. It sure brings a smile to their face! They love the new school bus toy and playing with the blocks and are learning to put them together. The toddlers are learning to catch, throw, and bounce the balls. They sure are helpful when it's time to pick up toys and they are proud of themselves, as their teachers are. Happy Easter to all!

The Early Learning Center (ELC) is announcing some staff changes that will be taking effect Monday, February 29th. We are sad to inform you that Leah Johnson and Bernie Gibilisco are leaving the ELC to pursue other opportunities. We wish them well on their future endeavors. They will be missed. Miss Bailie and Miss Brit will now be in Preschool 1. The children are excited to have them. The class had a fun Valentine party last month and they have been learning their Alphabet.

Preschool 2 News

This month we celebrated Valentines by having a party and the kids had a great time handing out all their Valentines to their friends. This month we also learned about the letter Q and R. The kids really enjoyed making a skittles rainbow and also got to do an activity with the high school kids who came for a visit. February has flown by but we are looking forward to the warmer weather so we can get back outside more!
