### Mixed 2 Room News

Hello from Mixed 2! We have all decided that we love the month of May because it brings warmer weather and that means more time outside! This month we sadly say goodbye to Slade & Sloan as they are graduating to Toddler 1. We sure will miss those sweet little grins! The babies are starting to settle in to their new environment and they seem to enjoy looking at our colorful decorations we have hanging from the ceiling. We love their little smiles and the little sounds they make when we talk to them. Happy Mother's Day to all the mothers!

## Toddler II Room News

The month of May for Toddler Two will be adventurous like a day at the pond, which will be our theme of the month. We will be welcoming two new friends to our classroom and saying goodbye to one! Graham and Kate will be joining us on this adventure. Connor will be moving up to the Preschool 1 room and we are going to miss him! We would also like to thank Connor for the flowers, and send a big thank you to Ava and her mom for making Rice Krispy treats to say goodbye to Lily, who had moved last month. Mother's day is a hop away from us, and we'd like to recognize and thank all of the Mother's for the wonderful things they do for the children.

## Preschool Room News

April was a month full of fun for Preschool One. We learned about the letters T, U, V, and W. The kids had fun making trains, tire tracks, umbrellas, vines, volcanos, and winter objects for art projects. During circle time we spent a lot of time talking about Spring. The kids informed Miss Kiley and I that it is supposed to rain a lot during that season. That being said, the kids were thrilled when it actually did rain (other than the fact it meant we could not go outside). During April we also got to celebrate our friend Ainsley's third birthday. Lastly, May 2<sup>nd</sup> we will welcome Connor to the class and we are so excited to have him. We hope everyone has a great month!

## Preschool 2 News

April has come and gone so fast. We finished the alphabet talking about the letters V, W, X, Y, and Z. We worked hard tracing letters, coloring zebra stripes, and making letters using playdoh. We also want to thank all the parents who helped your child celebrate Week of the Young Child. It was a success! In addition, Miss Brittney will be gone until May 9<sup>th</sup> to celebrate her marriage to Justin Glauser. Miss Hannah will be in the room with Kassidy in the mornings. Please talk with your child about using extra good listening ears to help their teachers out. Thanks!
