We will be implementing the online registration process again this year. Skyward Family Access will be required to complete the online registration process. If you need Skyward Family Access, please contact Lynn Feldmann at 738-3581 or lfeldmann@usd273.org. You can also register for Skyward Family Access on enrollment day. We encourage you to register for Skyward Family Access prior to enrollment to speed up the enrollment process.

After you have Skyward Family Access, login and enroll your student(s) by completing the step by step registration process. Online registration will open July 31st. Once the online registration portion is completed, bring the required completed enrollment forms downloaded from the district website with you on enrollment day and pay any required fees to complete the enrollment process. We will have computers and staff available during enrollment to assist you if you need assistance with online registration.

Enrollment Steps:

1. Download, print, and complete the enrollment forms from the district website.
2. Register for Skyward Family Access
3. Login to Skyward and complete the online registration process (this can be done the day of enrollment if you need assistance)
4. Bring completed enrollment forms to enrollment and pay applicable fees

I look forward to meeting you and working with your student. If you have questions, feel free to contact the school office at 738-3581.
