

# TONY FOBES MEMORIAL SCHOLARSHIP

## Scholarship Application

### History of Scholarship:

Tony Fobes was a 1984 graduate of Beloit High School. He was well loved by his classmates, countless friends, and family. Tony was friendly to everyone; he treated everyone as he wanted to be treated - with respect, exuberance, and kindness. Tony loved life; he worked hard, played hard, and loved hard. Because of his exceptional personality, Tony never met a stranger. Tony uniquely balanced his life with fun, friends, family, and school. Tony did not get the best grades, but he took his education seriously. Being a devout Catbacker, he always wanted to attend K-State. He fulfilled that dream and graduated in 1989. Tony battled Asthma all his life, and sadly, the disease took his life in 1993.

Out of respect and love, his classmates began to organize the Tony Fobes Memorial Scholarship in 1994. The scholarship is awarded in the amount of \$500, paid directly to the successful student. The scholarship awardee will possess elements that Tony deemed important: Fun, friends, family, and continuing your education at Kansas State University. The Trustees of the Tony Fobes Memorial Scholarship Fund also embrace his philosophy and will award the scholarship based on that philosophy and will not discriminate in any way.

Please fill out the information below and attach a short essay (300 words or less) on how your experiences, values, and beliefs coincide with Tony's philosophy. In addition, please include any information you wish to share regarding your extracurricular activities, honors or awards, community and social activities, and employment activities. Upon completion, please turn your application and essay in to Mrs. Eilert no later than April 17, 2020.
