As a requirement for graduation, each student must complete five hours for each semester enrolled at Beloit High School from grades 9-12.

Only half of a student's *required hours* may be earned from one specific activity. All Service Learning hours submitted will be recorded, but the student has not met the requirement until no more than half the *required hours* are from one specific activity.

All service learning hours must be recorded and submitted within 12 months after the date of the activity. All submitted hours are recorded on the student's transcript.

Refer to the back of this form for criteria for accepting Service Learning hours. Suggested approvable activities are listed on the back of this form.

Service Learning Criteria:

1. helps others
2. work is not for family members
3. you are not paid
4. work is outside of school hours
