

ADOPT-A-CLASS

Support a Classroom. Support a Teacher. Make a Difference.

The USD 273 Educational Foundation Adopt-A-Class Program gives community members, families, businesses, and organizations an opportunity to directly support USD 273 classrooms and students.

What Is Adopt-A-Class?

Each year, teachers often spend their own money to purchase classroom supplies, teaching materials, learning resources, student incentives, and other items that help make learning meaningful. As school budgets continue to tighten, Adopt-A-Class helps ease those out-of-pocket expenses while providing additional resources for our students.

How Does It Work?

When you make a donation through Adopt-A-Class, **100% of your contribution goes directly to supporting a USD 273 classroom.**

- **Adopt a specific classroom or teacher** of your choice.
- **Adopt a classroom that has not yet been sponsored** at Beloit Elementary School, Beloit Junior High, or Beloit High School.
- **Support the USD 273 Educational Foundation** and its efforts to benefit our students and schools.

Adopt-A-Class funds may be used by teachers for classroom supplies, instructional materials, learning resources, student achievement awards, and other items used exclusively for their students and classrooms.

Your Support Makes a Difference

Every donation - large or small - helps provide teachers with additional resources to create engaging and meaningful learning opportunities for USD 273 students.

Your Adopt-A-Class contribution is tax deductible, and a charitable contribution letter may be requested for tax purposes.

Adopt-A-Class sponsors will also be recognized on the donor banner displayed at home games and on the USD 273 website, unless the donor requests to remain anonymous.
