

# USD 273 EDUCATIONAL FOUNDATION

*Investing in students. Strengthening our community.*

## ABOUT THE FOUNDATION

The USD 273 Educational Foundation works to strengthen and enhance educational opportunities for the students and staff of Beloit Schools. By bringing together local businesses, community members, alumni, and supporters of public education, the Foundation helps provide resources and opportunities that go beyond what traditional school funding may allow. At the heart of its work is a commitment to supporting USD 273 and helping every student achieve success.

As a 501(c)(3) nonprofit organization, the Foundation serves as a bridge between our schools and the community. Through donations, partnerships, and community support, it provides funding for new ideas, innovative programs, classroom needs, educational opportunities, and other initiatives that directly benefit USD 273 students and staff.

The Foundation also recognizes and celebrates the people who make Beloit Schools special. By investing time, talent, funding, and resources in our schools, the Foundation creates opportunities that can make a lasting difference for students, educators, and the entire Beloit community.

### OUR MISSION

To engage business and community partners in support of USD 273 and the academic achievement of all its students.

### OUR VISION

For USD 273 - Beloit to be recognized for excellent public schools and as a community committed to every student's success.
