The policies, rules and regulations of the board may be amended at any regular, special or adjourned meeting of the board by a majority vote of the full membership of the board.

A recommendation by an individual or group of citizens or patrons to adopt or amend any policy or rule may be submitted at any regular or special board meeting. Final action on any such recommendation will take place at the next regular meeting of the board unless an emergency is declared whereby final action may be taken immediately.

Policy Dissemination

The superintendent shall be responsible for devising a procedure to ensure that those persons having copies of the board policy book receive changes in board policy and the policies which have been amended or deleted are removed from such policy books. Every attendance center shall have a current copy of the policy book which shall be kept in the office of the principal or the chief administrator. A copy of the board policy book shall also be kept in the central business office and the Public Library.
