The superintendent shall have:

Earned at least a master's degree from an approved institution of learning with graduate study in educational administration (Although an education specialist's or doctoral degree is not required, work toward the degree is considered desirable).

Acquired at least two years of successful experience in teaching and in the administration of schools; and

Established himself/herself as an educational leader in the profession through active participation in a variety of areas.

APPROVED: August 6, 1973

REVISED: March 13, 2000

REVIEWED AND APPROVED: December 12, 2011
