

EBC SECURITY**EBC**

The district will attempt to protect students, staff and school property from possible injury or damage. Security devices may be installed at district attendance centers. Other measures may be taken to prevent intrusion or disturbances from occurring in school buildings or trespassing on school grounds. The district shall attempt to cooperate with law enforcement in security matters and shall report acts committed at school or at school-sponsored activities which pose a threat to safety and security. (See EBCA).

Any district employee who believes an act which poses a threat to safety and security, as defined in current law, has been or will be committed at school or at a school-sponsored activity, shall immediately report this information to local law enforcement. It is recommended that the building administrator also be notified. Anyone making a report in accordance with state law and without malice, is immune from any civil liability.

Annual Reports

The administrator of each building shall prepare all reports required by law and/or regulation and present them to the board and the state board of education at least once annually. Reports shall not include any personally identifiable information about students. These reports and this policy shall be made available upon request to parents, patrons, students and employees.
