

GAA - GOALS AND OBJECTIVES

GAA

The goals of the personnel policies set forth in this policy and rule section are to create the best possible educational climate for the students of the district. To this end, these personnel policies are designed to prevent misunderstanding by the personnel of the district about their duties and privileges. In order to further develop a climate of trust and understanding, the board earnestly seeks the involvement of all personnel in the development of policies affecting their positions.

All personnel handbooks are to be approved by the board and adopted, by reference, as a part of these policies and rules.
