**GADA-R INSERVICE EDUCATION**

**GADA-R**

All employees are expected to attend inservice education sessions unless excused by the superintendent or designated representative. Workshops, seminars and similar programs may utilize all or a portion of the work day. On occasion these programs may be combined with regular staff meetings. Appropriate personnel will be selected to conduct the sessions.

Staff members, with their supervisor, are encouraged to design a "Professional Development Plan" (PDP) to define their individual inservice goals and objectives for each year. Attendance at staff development activities, for those who have PDP's will result in the awarding of inservice points which count toward re-licensure and salary advancement, as per policies GBA and GCA.
