JCDBB

A student shall not knowingly possess, handle or transmit any object that can reasonably be considered a weapon on the school grounds or off the school grounds at a school activity, function or event.

This policy shall include any weapon, any item being used as a weapon or destructive device, or any facsimile of a weapon.

Possession of a firearm shall result in expulsion from school for a period of one year (186 school days), except that the superintendent may recommend that this expulsion requirement be modified on a case-by-case basis under the provisions of JDC (Probation).

As used in this policy, the term "firearm" means any weapon (including a starter gun, stun gun, air soft, paint ball gun) which will, or is designed to, or may readily be converted to, expel a projectile by the action of an explosive, the frame or receiver of any such weapon, or any firearm muffler or silencer; or any destructive device.

As used in this policy, the term "destructive device" means any explosive, incendiary or poison gas: bomb, grenade, rocket having a propellant charge of more than four ounces, missile having an explosive or incendiary charge of more than one-quarter ounce, mine, or other device similar to any of these devices.

The superintendent may authorize firearms on school grounds or in a school building for use as a teaching tool in a "Hunter Education" course approved by the Kansas Department of Wildlife and Parks.
