

**KB**     **PUBLIC INFORMATION PROGRAM**

**KB**

The board accepts full responsibility for keeping the general public informed about the function and operation of the school system. To this end, the board may appoint an Information Officer.

Public's Right to Know (Cf. BCBI)

All decisions of the board will be made in public with full opportunity extended to citizens to be heard prior to the making of these decisions. Executive sessions will be held to a minimum and only for specific reasons as provided by law.

School-Sponsored Information Media

It shall be the policy of the board to issue a newsletter to all patrons of the district containing information about the operation and activities of the schools. Newsletters issued by the schools may be used to serve this purpose.
