

KC BOARD-COMMUNITY RELATIONS

KC

It shall be the policy of the board to seek ways to involve citizens in the work of the school and to stimulate citizens to know more about the schools.

Community Involvement in Decision-Making

The board will inform, and may involve, the patrons of the district in the decision-making process.

The first line of involvement is the schools' Site Councils.

Community Activities and Performances

The board encourages all students to participate in community activities insofar as such activities do not conflict with their school duties.
