Committee Reports

- By-Laws – No update.
- Character Ed – A survey was given to staff about teams & morning meetings to get feedback and possible new ideas.
- Goals – No update.
- Parent Involvement – The responses from the parent survey weren't as high as in previous years. Those that completed the survey didn't seem to have an issue with the purchasing of school supplies, which was a new focus. The committee would like to see more responses to get a more accurate number as they feel there is a greater need than what the results indicate. Amanda will send out a link with some additional information to try and boost results. Discussion is still being had about how to get older kids, mainly 6th graders, more physical activity. Mrs. Porter is going to look at the scheduling and try to come up with a possible solution.
