The Superintendent expressed his thanks to the board for all of their work and presented them certificates for School Board Appreciation Month. The Superintendent introduced Nicki Cleveland who presented to the board, Project Adam. This is a project that advocates for providing proper AED and CPR training. Leadership Mitchell County members would like to partner with the school district to begin this project in our schools. The Superintendent then introduced Scot Loyd with Loyd Group who is the district's auditor. Scot Loyd presented to the board the district's audit report stating there were no violations for the second year in a row. Mr. Loyd expressed the importance for the district to build up the cash balances to have more than 1.1 months of reserves in this current economy.

The Superintendent updated the board on the Mitchell County Early Learning Center buildings since the water pipe break. The insurance company is considering it to be one incident; therefore, our deductible will be \$10,000 for both buildings. The MCELC had to be closed for two days in order for our staff to be able to clean and make the buildings safe for reopening. The superintendent expressed his great appreciation for everyone, especially the maintenance crew, for their hard work addressing this issue. The Superintendent discussed with the board the purchase of a pickup for \$6,500 that the maintenance staff will use. This pickup will replace the older white pickup at the elementary school.

Grady Seyfert gave the Student Council Report.

Addison Beaumont gave the Jag-K Report.

Janet Porter gave the PTO Report.

A motion was made by Krier, seconded by Thompson, to approve the establishment of Project Adam in our schools with a partnership with Leadership Mitchell County. Motion carried: 6 Yeas, 0 Nays.
