Student Council report was given by Charlie Burke.

JAG-K report was given by Jadyn Hughes.

No report for the Site Council.

PTO report was given by Amber Quayle.

The Superintendent informed the Board that a vote regarding the acceptance of the Southern Cloud District would occur later in the meeting. If approved, the Beloit School District will assume responsibility for all Southern Cloud employee and student records. Xerox has the capability to collect and scan these records, providing the District with secure digital access. In addition, the Beloit School District will acquire any remaining buildings in Glasco that have not been sold by the acquisition date. The Superintendent also addressed the need to rezone Board member districts as a result of the potential acquisition of the Southern Cloud District. This adjustment is necessary to maintain compliance with the requirement that population variances between zones remain within 5 percent. The Board is currently composed of two members from each of the three zones and one at-large member. The Superintendent further reported that the District was not selected to receive the grant previously sought for the VOIP phone system. As a result, he requested that the Board consider and vote on approving the installation of the new system. Finally, the Superintendent and the four Board members who attended the KASB Convention shared highlights from the sessions they attended and expressed their positive impressions of the conference.

The Superintendent provided an update on the bond project, reporting that Phase I has been completed. All three classrooms involved in this phase have been fully transitioned back into use. The next group of three teachers has vacated their classrooms to allow Phase II to begin. The project continues to progress smoothly and remains on schedule. The Superintendent noted that a special Board meeting will be required to approve the bids for the HVAC units at Beloit Jr.-Sr. High School. This meeting is scheduled for Monday, December 15, 2025, at 6:00 p.m. Current budget projections indicate that funding is available to install four to five units during either spring break or the summer months.

A motion was made by Stillwell, seconded by Thompson, to appoint Janet Porter as alternate superintendent at the next board meeting due to the absence of superintendent Jeff Travis. Motion carried: 7 Yeas, 0 Nays.

The superintendent discussed the board policy that KASB has made revisions to. He would like each of the board members to take these policies home, read through them to be able to vote on them at next months' board meeting.

A motion was made by Ludwig, seconded by Krier, to approve bid from Zayo Education for \$15, 990 for a phone system at BES, BJSHS, Special Education office, Mitchell County Early Learning Center, Mitchell County Partnership for Children/PAT offices, and the Board of Education office. Motion carried: 7 Yeas, 0 Nays.

A motion was made by Adams, seconded by Stillwell, to approve the proposition of attachment that was specified in the resolution adopted by USD 334 – Southern Cloud on September 8, 2025 and thereafter the voters approved by election on November 4, 2025. Motion carried: 7 Yeas, 0 Nays.

A motion was made by Thompson, seconded by Cousland, to approve Xerox to scan all Southern Cloud employee and student documents onto the cloud for ease of searching and retrieval. Motion carried: 7 Yeas, 0 Nays.

Thompson moved that the Board of Education go into executive session at 7:56 P.M. for the purpose of discussing personnel matters on non-elected personnel and their contractual obligations because if

this matter were discussed in open session it might invade the privacy of those discussed and that the Board of Education reconvene into open session at 8:26 P.M. in this room with Jeff Travis remaining. At 8:20 P.M. The motion was seconded by Adams. Motion carried: 7 Yeas, 0 Nays.

The Board reconvened into open session.

A motion was made by Thompson, seconded by Ludwig to approve the following administrative contracts, Janet Porter, Garry Lowry, Casey Seyfert, Kyle Beisner, Christie Gerdes, and Cassie Kopsa through 2027-28. Brady Dean will be going to a director contract. Mr. Travis will be resigning, therefore, his contract will not be renewed. Motion carried: 7 Yeas, 0 Nays.

A motion was made by Krier, seconded by Adams to adjourn the board meeting. Meeting adjourned at 8:30 PM. Motion carried: 7 Yeas, 0 Nays.

President, Board of Education

Clerk, Board of Education
