THANK YOU...

I truly appreciate the Booster Club and all it does for the student-athletes and coaches of Beloit Jr.-Sr. High School. Many times Booster Clubs are an afterthought or are taken for granted. It did not take long for me to realize how passionate our Booster Club is about making things better for our kids. The amount of time people put in is amazing. The amount of financial support gained and donated back to our programs is amazing. Each year it is great to look back and see what all has been done for so many of our school activities. Thank you for all that you do. It is really appreciated.

Kyle Beisner, A.D.
