Dear High School Counselor:

Hello from Cloud County Community College! Please share this information with any junior or senior student who might be interested in attending **Cloud County Preview Day (on campus) on Tuesday, November 10th at 9:00 a.m. – 1:00 p.m.** We also have a virtual option the evening of **November 10<sup>th</sup> from 6:30 p.m. – 7:30 p.m.** due to COVID-19.

Here at Cloud, we understand how demanding student's junior and senior years of high school can be as well as how important the decision of where they will be attending college is. With this in mind, we would like to help them ease the stress of choosing a college by inviting your junior and senior students to attend our 2020 Preview Day.

This informative day intertwined with the necessary safety precautions, will allow each student the opportunity to learn more about Cloud County Community College and the admissions process, tour campus, and meet with an academic advisor. Your students will truly get a firsthand look into what it's like to be a T-Bird. Senior students will be entered to win a Book Scholarship to be used during the 2021-22 school year! Juniors will be able to sign up for giveaways from our T-Bird Bookstore. The drawing will be held at the end of the event.

To take part in this opportunity, please have any interested student call 800-729-5101, ext. 212 or email [mgreene@cloud.edu](mailto:mgreene@cloud.edu) or [steph.lichtenauer@cloud.edu](mailto:steph.lichtenauer@cloud.edu) in order to reserve their spot. Students can also register online at: <https://www.cloud.edu/admissions>. Parents and/or counselors are welcome to attend.

If you have any questions, please do not hesitate to contact the Office of Admissions by phone or email. We look forward to having you all on campus!

Sincerely,
