

2021 Prudential Spirit of Community Award

Eligibility: Any high schooler who has taken part in volunteer service activities over the past year.

If so: Complete the online application at [The Prudential Spirit Of Community Awards](#). Applications must be completed, printed, and submitted to me by November 10, 2020. Then we will select the top high school applicant and recognize him/her as a role model for the entire school. We will then nominate our school's top-youth high school volunteer for state-level honors. A student can then proceed on to national level honors if he/she makes it through state-level selection processes.
