- **Isolation:** For people who are currently infected or sick with COVID-19.
- \* **If you or your student falls into one of these categories, you will be notified how long the isolation or quarantine period is.**
- \* **The health dept. is only able to identify close contacts based upon info. provided.**

## *General CDC & KDHE Recommendations:*

- Highly recommend masks to be worn by all individuals ages 2 and older indoors.
- Maintain physical distance of at least 3 feet between students when possible.
- Stay home and avoid contact with others if there are any signs of illness; Contact physician regarding testing.
- Handwashing with soap and water often.
- Receive a COVID-19 vaccine if eligible.

## *Vaccinations, Mask Usage, and Quarantines*

- **Current COVID-19 vaccines:**
  - ⇒ Moderna: 2 doses, 18 years and older
  - ⇒ J&J: 1 dose, 18 years and older
  - ⇒ Pfizer: 2 doses, 12 years and older
- **Fully vaccinated people are not expected to quarantine after exposure if they meet the following criteria:**
  - ⇒ It is  $\geq 2$  weeks following receipt of 2nd dose in a 2-dose series, or 1st dose in a single dose series.
  - ⇒ Remain asymptomatic after exposure.
- Vaccines available at the HD and S&S Pharmacy.
- **If BOTH the individual who tested positive AND the close contact are wearing a mask, the close contacts will not be expected to quarantine, as long as they remain asymptomatic.**
- \* **Information subject to change based upon CDC and KDHE updates.**
